Interview for feature on community mailboxes for CBC Radio with Blair Sanderson. 8 January 2014.

Extensive interview in *Alberta Planning Journal*, Summer 2012. In 2011 my research on the music industry and immigrant cultural workers received considerable interest from CBC radio, and I was interviewed on issues of gentrification. The June 2010 online issue of *Building* magazine discussed my research. The 21 May 2009 issue of the *Dal News* profiled my research on trends in suburban development patterns. My research related to sustainability was profiled in the December 2008 issue of *Outfront*, the research magazine of Dalhousie University. The December 2008 issue of the newsletter of the Senior Policy Executive Forum (Province of Nova Scotia) included a summary of my work based on the presentation that I made to them in December.
